- Strong turnaround for the Russian operations in H2-11

➤ Sapa

- Profiles North America on track to reach 6% margin target
- Significant restructuring programmes initiated for Profiles Europe
- Weak performance for Heat Transfer in H2-11; action taken

➤ Borregaard

- Favourable markets and strong operating result

*EBITA amounts in NOK million, after sale of
Elkem Silicon-related and Hydro Power assets*

Pursuing growth opportunities within Branded Goods

- Potential targets identified
- Focus on companies within existing categories and geographies
 - Largest synergies in combination with our existing operations
- Focus on value creation

Status of divestments of industrial and financial assets

Borregaard

Internal restructuring of assets to separate the hydro power assets and the industrial activities

Borregaard Hydro Power will be kept in Orkla as a financial asset

Share Portfolio

Sale of assets for a total of NOK 4.5 billion in 2011

Largest holding in portfolio, Tomra, sold

Plan established for divestment of the rest of the portfolio

REC

Orkla will support REC in their work on operational improvements and structural solutions

Weak solar markets reduce exit opportunities in the short-term

Sapa business plan

- Orkla will exit Sapa within 2-3 years – financial goals remain firm
- Significant potential for operational improvements
 - Strengthening of organisation
- Restructuring programmes implemented in Profiles
- Focus on regaining margin levels in Heat Transfer
- Focus on integration and ramp-up of the Asian operations

DIVIDEND

A dividend of NOK 2.5 per share is proposed by the Board of Directors

- Dividend strategy focuses on predictability and stability
- Considering a payout ratio when Orkla has become a branded goods company
- Share buy-backs aim at supplementing dividend

Outlook 2012

- Orkla Brands well positioned to counter challenging market conditions
- Flat markets expected for Sapa – restructuring will contribute positively
- Continued strong performance for Borregaard
- Full commitment to deliver on strategic direction

FINANCIAL PERFORMANCE

SAPA

SVEIN TORE HOLSETH, CEO SAPA

Q4: Strengthened position in soft markets

- North American Profiles market overall flat
 - Market share gain
- European Profiles and Heat Transfer markets down in Q4 vs. last year
- European Building & Construction market still at low levels

Sapa Q4 results hit by weak performance in Heat Transfer

- Volume growth and improved results for Profiles North America
- Weaker market for Profiles Europe offset by operational improvements
- Heat Transfer Sweden affected by weak operations and strong SEK
- Export margins for Heat Transfer China negatively impacted by increase in Chinese metal prices

Amounts in NOK million

Actions to improve Heat Transfer defined and under implementation

- Price increases implemented
 - Impact on results as from Q1-12
- Volume transfer from Sweden to China to leverage lower cost position
- Operational improvements
 - Completion of cast house and cold rolling mills to increase productivity in Sweden

Profiles North America continues to strengthen its position

- Continued market share gain
 - Volume up 11 000 tonnes compared with Q4 last year (+13%)
- Footprint optimization and productivity improvement

Sapa Profiles North America
EBITA margin performance

Unsatisfactory profitability in Profiles Europe

- Market driven volume reduction
 - Down 9% to 96 000 tonnes compared with Q4-10
- Strengthened European organisation
 - Transfer of learning and experience from the NA operations to the European operations
- Major restructuring and improvement programmes in progress within Profiles
 - Reduction of ~900 employees effectuated
 - NOK 250-300 million EBITA effect; full effect end of 2012

Sapa Profiles Europe

Short-term outlook

- Moderate market growth for Profiles North America, while the weak market trend in Europe is expected to continue
- Q1 seasonally stronger than Q4
- Positive contribution from renegotiated contracts, however somewhat weaker demand for Heat Transfer
- Improved cost base will gradually generate a positive profit contribution in 2012

ORKLA BRANDS

TORKILD NORDBERG, CEO ORKLA BRANDS

Increased raw material prices offset - weak December volumes

Soft markets in Q4

- Underlying top-line growth of 1%, related to price increases
 - Weak December sales in the Nordics
- Strong performance for Stabburet, Axellus, Chips Group and in Russia
- Overall stable market shares
- Sale of bakery operations (Bakers)

High raw material level in 2011 – handled well

Source: FAO

- International price levels (FAO) have come down slightly from record levels in Q1 2011, but...
- ...significant increase in raw material prices in 2011 compared with 2010
- Some important raw materials for Orkla Brands will have significant higher price levels in 2012

Orkla Brands Russia improving

Q4

- Best quarter since the acquisition
- Sales growth of 6%
 - 11% growth in national retail chains
- EBITA growth of 38%

2011

- Successful merger of SladCo and Krupskaya
- Continuing portfolio upgrade
- Market shares and distribution improved
 - 1/3 of sales in national retail chains (up from 1/5 in 2008)
- Synergy realisation as planned
- Positive contribution from price

Growth in India

- Plan to expand MTR into neighbouring states Andhra Pradesh and Tamil Nadu
- Reinvest MTR profit in advertising & promotion

MTR

- Acquired in 2007
- Annual top line growth of ~20%
- Regional market leader in blended spices
- National market leader in instant mixes and ready-to-eat
- Located in Karnataka
