Orkla: Telephone conference call - annual results 2000

In connection with the presentation of Orkla's annual results on Thu 15 Feb, a telephone conference call will be held the same day at 1600 hours Norwegian time. The conference call will be held by Mr. Erik Barkald, Senior Vice President Group Treasurer and Investor Relations. The presentation of the annual results will be followed by a Q&A-session.

Foreign-based investors and analysts who wish to participate should call +47 23 000 400 and ask the operator for the Orkla presentation by Mr. Barkald. Norwegian-based investors and analysts should call 80080119. Callers wanting to ask questions in the Q&A-session should press *0.

A recording of the conference call will be available for 17 days on telephone number +47 22 33 11 13, user id 1101 and conf id 101. The recording will also be available on www.orkla.com.

Orkla's results will be sent to the Oslo Stock Exchange Thu 15 Feb at 0800 hours Norwegian time. The slides of the presentation will be available on www.orkla.com shortly after.
